

ESPRESSOBYTE

Here is a list of our functionalities:

- I. A chrome extension that summarizes selected text.
- II. Allows for translation into 13 Indian Languages
- III. An admin portal for PIB Official login to verify/ edit the summaries generated by 3 different models.
- IV. The verification done is a 2-step process wherein after lower ranking official selects the best summary, his choice is approved/disapproved by a senior official.
- V. The user also has a login for signing up for regular updates which are received via, SMS, E-Mail and WhatsApp.
- VI. A twitter bot to send the verified summaries as tweets. Quality control will be done by PIB Official.
- VII. Text to speech functionality in extension and site
- VIII. Direct summarization in regional language
- IX. Text to Video conversion with option to edit the video
